

ABSTRAK

Program pengabdian kepada masyarakat Program Studi Manajemen Sumber Daya Manusia Aparatur (MSDMA) ini mengambil topik Pembekalan Karir: Wawancara dan Psikotes. Program pengabdian kepada masyarakat ini dilakukan di Desa Kalukubodoa, Kabupaten Takalar. Melalui pengabdian masyarakat. Program ini bertujuan agar masyarakat di desa Kalukubodoa, Kabupaten Takalar yang umumnya masih bermata pencaharian sebagai petani maupun nelayan jika ingin berkari di dunia industri, dapat menggunakan keterampilan yang diajarkan untuk melamar ke perusahaan ataupun mencari pekerjaan di kota, dan tidak canggung lagi menghadapi seleksi wawancara dan psikotes. Dalam rangka mengukur kebermanfaatan program pengabdian kepada masyarakat ini, peserta diberikan kuesioner dengan 9 pernyataan. Berdasarkan hasil kuesioner yang diisi oleh 30 responden di Desa Kalukubodoa, Kel. Bontomanranu, Kec. Galesong Selatan dapat disimpulkan bahwa kegiatan ini telah memberikan manfaat kepada peserta kegiatan dalam hal ini masyarakat angkatan kerja.

Kata kunci : Pengabdian kepada Masyarakat; Psikotes; Wawancara

ABSTRACT

This community service program for the Human Resources Management Study Program (MSDMA) takes the topic of Career Debriefing: Interviews and Psychological Tests. This community service program was carried out in Kalukuboa Village, Takalar Regency. Through community service. This program aims so that the people in the village of Kalukubodoa, Takalar Regency, who generally still work as farmers or fishermen if they want to pursue a career in the industrial world, can use the skills taught to apply to companies or find work in the city, and no longer have to be awkward about facing interviews and selection. psychological test. In order to measure the usefulness of this community service program, participants were given a questionnaire with 9 statements. Based on the results of the questionnaire filled out by 30 respondents in the village of Kalukuboda, Kel. Bontomanranu, Kec. South Galesong it can be concluded that this activity has provided benefits to activity participants in this case the workforce community.
